

## **Job Description & Person Specification**

Development Services	
Job Title	Support Worker (also referred to as Personalisation Developer)
Core Purpose of Role	Aspire Housing & Personal Development are committed to the ongoing development of the people we work with and the staff teams who work with them. The Personal Developer will work within an individual's service to ensure that Aspires clear focus and priority is on meeting the people we work with aspirations and outcomes.  The Support Worker will at all times focus on the individual to achieve the things that matter to them, working effectively with internal teams and external people, such as families to achieve this. This means helping people to make choices and decisions through exploring and accessing opportunities that help them develop a lifestyle that is meaningful and rewarding whilst achieving their personal outcomes.  Travel throughout Lanarkshire and surrounding areas would be an expectation of the post holder.
